DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 213517

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Remove the rubber insert that is in the compartment on the left side of the upper center console area.

STEP 2 OF 4

Insert inner attaching plate of the mount between the inner compartment box and the dash frame surrounding the compartment. The inner mounting plate should fit snug between the dash frame and inner compartment box. Use the center hole in the mounting plate to align the plate into a secure position.

STEP 3 OF 4

Align the outer plate over the threaded holes of the inner plate. Attach the two plates together using four of the included 4mm machine screws. Once the mount base is securely fastened in place, use the additional four 4mm machine screws to attach the angled face plate to the mount base.

STEP 4 OF 4

The ProClip Mount is in place.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
