DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 213519

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Remove the rubber pad on the bottom of the cubby in the lower right side of the dash.

Starting at a corner, pry back the frame around the center dash open.

Gently loosen the entire frame around the upper center dash.

Pull the upper center dash frame about 1-2 inches away from the dash.

STEP 2 OF 4

Insert the included bolts through the holes in the mount base. Use the washers with the bolts.

Align the bolts in the base plate with the holes in the bottom of the cubby.

STEP 3 OF 4

Place the bottom plate over the bolts on the under side of the dash.

Then thread the nuts onto the bolts.

Securely tighten the nuts.

Carefully press the frame around the center dash back into place.

STEP 4 OF 4

Remove the adhesive tape covers on the face plate. Align the two holes on the lower center part of the face plate with the two pre-drilled holes in the mounting base. Screw the face plate onto the mounting base using the enclosed screws.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
