DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 216000

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Completely loosen **ONLY the one screw in the center** of the holder. Then, using light force, pull the swivel base plate away from the back of the holder.

Place the Tilt-Swivel base plate over the matching holes in your mounting bracket. Attach the base plate using the applicable screws.

Place the holder onto the Tilt-Swivel base plate and reattach it with the center screw.

STEP 2 OF 4

Take the dock that came with your GPS and remove the included suction cup.

Insert the dock into the holder and the empty socket will snap over the ball inside the holder.

Insert the device bottom first then let it snap onto the dock.

STEP 3 OF 4

To remove the GPS pull the top away from the dock and lift it out of the holder.

To remove the dock from the holder press your finger into the release hole on the back and snap the dock off of the ball.

STEP 4 OF 4

The holder is in place.

Device cords can be connected through the holes on either side of the holder.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
