

INSTRUCTIONS AND USER GUIDE

Item No. 216295 **Printer Mount Kit for TSC Alpha 30L /** **40L with Battery Access**

TSC Alpha 30L 40L

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 216295

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Install the Plate:

Fit the mounting plate on the back of the printer by hooking the front of the mount over the bottom of the printer. The mount comes with two machine screws that fasten the plate to the printer. Align the printer to the two holes and fasten the plate to the printer using the threaded inserts in the bottom of the printer.

STEP 2 OF 4

Install the Quick Release Dock

Attach the quick release dock to your mounting surface using the included fasteners. The lock nuts require a 7mm wrench to tighten. This printer kit includes sheet rock anchors and screws for attaching directly to a flat surface, and machine screws, washers and lock nuts to attach to AMPS compatible mounts. (demo ProClip pedestal shown not included)

STEP 3 OF 4

Docking the Printer:

Slide the mounting plate into the quick release dock until it clicks into place.

Un-docking the Printer:

Press the release lever slightly and slide the printer up and out of the dock.

STEP 4 OF 4

Battery Access:

This mount kit is compatible with the battery eliminator. The slot in the plate allows the eliminator cable to be used out of the bottom of the plate. Additionally, this plate does not cover the Fan Fold Feed slot.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
