

INSTRUCTIONS AND USER GUIDE

Item No. 216396
RuggOn Luna 3

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 216396

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 8

Mounting the Cradle:

This cradle features the AMPS and VESA75 hole pattern in the steel base plate. AMPS is common for many ball and vehicle mounts and VESA75 is common in telecommunications and office environments.

The Included M4 Fastener pack provides several lengths of fastener, two types of washer and lock nuts to ensure a good fit to your chosen mount.

STEP 2 OF 8

Recommended Installation tools

The included hub and cover can make the installation of a pedestal base more difficult. It is recommended that you use a 7mm wrench to hold the lock nut in place. when attaching with the included fasteners.

STEP 3 OF 8

Docking:

Place the lower part of the device in the cradle and align the tablet to the grooved side walls. This tablet features a softer rubber side, so it is important to dock it accurately.

STEP 4 OF 8

Docking Continued:

Slide the device down onto the USB-C connector ensuring that the tablet slides all the way down onto the connector and to the bottom of the channeled side walls.

STEP 5 OF 8

Swiveling Top Lock:

To ensure the tablet is secured in the dock, slide the top swivel over the top edge of the tablet. The swivel has a key lock to ensure the tablet cannot be removed without the appropriate key. The key lock can be set in 3 positions.

To lock the tablet in place, press the center pin of the lock down.

STEP 6 OF 8

Unlocking:

Turn the key until the center pin pops out and slide the lock up.

STEP 7 OF 8

Swivel:

Turn the swivel top until it clears the tablet.

STEP 8 OF 8

Undocking:

Lift the tablet up and out of the cradle until it is clear of the sidewalls.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**

Limited Warranty and Liabilities

ProClip warrants that the Products will be free of defects in materials and workmanship for a period of one (1) year from the date of purchase. If any Product should become defective within the warranty period, ProClip, at its option, will replace it, repair it or refund the purchase price.
