DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 241821

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. STEP 1 OF 4

Included Power Supply:

This product includes a power supply built directly into it. This supply converts AC wall power to 5.4V DC and includes a 4" long cable.

The dock has a 2-prong jack that is notched to fit into the back of the dock. Connect the power cable to the dock before docking the MC93.

STEP 2 OF 4

Align the MC93

This dock is an open design that allows them MC93 to be easily docked to charge. To charge the MC93, align the side walls with the MC93.

STEP 3 OF 4

Dock the MC93

Slide the MC93 down the grooved sidewalls and allow it to settle completely to the bottom of the dock to engage the pogo pins and charge the MC93.

STEP 4 OF 4

Un-Dock the MC93

Slide the MC93 up and out of the dock until the MC93 clears the sidewalls.

Returns
