

INSTRUCTIONS AND USER GUIDE

Item No. 541855

**ProClip Large Universal Tablet Holder
with Spring Lock**

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 541855

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Adjust the holder to fit your device: Loosen the screws on the front side of the holder, as well as the screw on the adjustable arm. Pull the adjustable sides apart and pull out the adjustable arm.

Slide your device into the holder. Press the sides together so the device is firmly in place. Place the spring block onto the adjustable arm and press it toward the device.

STEP 2 OF 4

Remove the spring block carefully, keeping the adjustable arm exactly in position. Remove the device carefully, making sure the side arms stay exactly in position. Fix the size of the holder by tightening the screws on front of the holder as well as the screw on the adjustable arm.

STEP 3 OF 4

Install the holder: Loosen the screw in the center of the holder so you can remove the tilt swivel base plate on the back. Place the base plate onto the desired position and screw into place with the enclosed screws.

Place the holder over the attaching plate so the screw fits in the hole in the tilt swivel. Tighten the screw until the holder is firmly in place, but can still be adjusted.

STEP 4 OF 4

The holder is in place.
