# INSTRUCTIONS AND USER GUIDE

## Item No. 804006
## Left Dash Mount for Land Rover LR2

Land Rover LR2 2008-2015

**DO NOT** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

**Item No. 804006**

GAP OPENER

---

**Attention:**

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also,** our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

**Important**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

## STEP 1 OF 4

Press the thin end of the enclosed gap opener into the gap between the dashboard and the panel frame surrounding the instruments, to widen it. Peel off the cover of adhesive tape on the ProClip.

## STEP 2 OF 4

Hold the ProClip in a vertical position. Press the curved edge on the right side of the ProClip into the gap above the gap opener. Flip the left side of the ProClip towards the air vent, so the curved edge on the right side hooks underneath the panel frame. Pull out the gap opener.

## STEP 3 OF 4

Press the gap opener into the gap between the dashboard and the air vent panel frame. Bend on the gap opener with your left hand and press firmly forward on the left side of the ProClip with your right hand, so the grooved edge goes into the gap above the gap opener. Press until you see or hear/feel it snaps into place. Pull out the gap opener.

## STEP 4 OF 4

The ProClip Mount is in place.

**Returns**

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
