**DO NOT** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

---

**Attention:**

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

**Important**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

## **STEP 1 OF 4**

Clean the surface at pos. 1 with the enclosed alcohol pad. Peel off the cover of the adhesive tape on the ProClip.

## **STEP 2 OF 4**

Hook the upper part of the ProClip, with adhesive tape, over the edge of the console into the gap at pos. 1. Hook the long lower part of the ProClip, with angle, under the edge of the console at position

### **STEP 3 OF 4**

Press the upper and the lower part of the ProClip towards each other until the face of the ProClip has a flat/horizontal position. Tighten the nut with the enclosed tool. Place the enclosed cap over the nut. The ProClip is in place. In most vehicles the adjustable ProClip is placed on the right side of the console. However, in some vehicles it is placed on the left side of the console and in a few cases there are different solutions e.i. mounting in the cup holder. When you choose the location for the ProClip it is important to make sure that

## STEP 4 OF 4

The ProClip Mount is in place.
