Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 6

Install the Upper Lip:

Use the enclosed alcohol pad to gently clean the area where the mount will be installed.

Remove the backing from the adhesive tape.

Hook the upper lip over the right console edge. The tape should rest on the accessory tray wall below the trim.

STEP 2 OF 6

Install the Lower Lip:

Press the two included gap openers into the seam at the bottom of the console on either side of the mount.

STEP 3 OF 6

Install the Lower Lip:

Press down on the top of the mount until the bottom lip clips into the seam under the console.

STEP 4 OF 6

Install the Lower Lip:

Press in and up on the bottom of the mount ensuring the lip is completely seated in the seam.

STEP 5 OF 6

Install the Face Plate:

Place the locking washer into the recess on top of the riser block.

STEP 6 OF 6

Install the Face Plate:

Place the faceplate over the riser and angle as desired. Secure the faceplate to the mount using the included machine screw. The faceplate may be installed for use by the driver or passenger.
