

INSTRUCTIONS AND USER GUIDE

Item No. 836188 Nissan Armada Console Mount

Nissan Armada 2025-2026

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 836188

x2

GAP OPENER

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 6

Install the Upper Lip:

The mount may be installed on the left or right side of the console. Select the desired side. Align the front edge of the mount with the front of the console cover. Press the upper lip into the seam on the side of the console.

STEP 2 OF 6

Install the Lower Lip:

Insert the included gap openers into the side console seam on each side of the mount.

STEP 3 OF 6

Install the Lower Lip:

Press down on the top of the mount until the lower lip clips into the seam.

STEP 4 OF 6

Install the Face Plate:

Place the locking washer into the recess on top of the riser block.

STEP 5 OF 6

Install the Face Plate:

Place the faceplate over the riser and angle as desired. Secure the faceplate to the mount using the included machine screw. The faceplate may be installed for use by the driver or passenger.

STEP 6 OF 6

The mount is in place.
