DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 853359

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Peel off the cover(s) of adhesive tape on the ProClip. Note: The adhesive tape does not leave any marks or damage the dashboard, and it is easy to remove. Place the ProClip in your hand so the ProClip label (sticker) is in an upright position, or if vertically positioned; the P in ProClip is at the top. Press the angled edge on the right side of the ProClip into the gap in the sidewall (see arrow in picture)

STEP 2 OF 4

Place your hand on the right side of the ProClip and push it towards the stereo so the angled edge on the left side goes into the gap between the stereo and the center console panel frame. Press until you see or hear/feel it click into place.

NOTE: the angled edge goes into the gap by the stereo. See arrow in picture.

STEP 3 OF 4

Place your fingers against the left part of the ProClip and push forward to make sure the angled edge is all the way into the gap.

STEP 4 OF 4

The ProClip in place.
