

INSTRUCTIONS AND USER GUIDE

Item No. 854082

**Center Dash Mount for Subaru
Forester, Impreza, Outback Sport,
WRX**

Subaru Forester 2009-2013
Subaru Impreza 2008-2011
Subaru Outback Sport 2008-2011
Subaru WRX 2008-2014

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Peel off the adhesive tape cover(s) on the ProClip. Press the thin end of the enclosed gap opener into the seam/gap on top of the dashboard in front of the information window, to widen the gap. (Very shallow gap) Place the ProClip in your hand so the ProClip label (sticker) is in an upright position. Then hold the ProClip in an almost 90 degree angle and press the end of the curved forward edge into the seem/gap next to the gap opener

STEP 2 OF 4

Flip the ProClip downward, toward the stereo. The curved edge on the forward end of the ProClip hooks underneath the information window panel. Note: When flipping the ProClip towards the stereo press down on the back part of the ProClip with your index finger to keep the curved edge in the gap.

Then pull out the gap opener.

(The seam is tight and the angled edge needs to slide under the forward panel.)

STEP 3 OF 4

Continue to rotate the ProClip faceplate (part with holes) towards the stereo until the rear angled edge of the ProClip is right above the stereo. Make sure the forward angled edge stays in the forward gap.

STEP 4 OF 4

Press down on top of the Faceplate end of the ProClip until the angled edge goes into the gap between the stereo and the surrounding panel frame. Press until you see or hear/feel the angled edge click into place.

The ProClip is now in place as shown in the overview picture above.

Note: The adhesive tape does not leave any marks or damage the dashboard, and it is easy to remove.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
