

INSTRUCTIONS AND USER GUIDE

Item No. 854347 Center Dash Mount for BMW Z4

BMW Z4 2009-2016

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Open the compartment door on top of the dashboard. Press the thin end of the enclosed gap opener into the gap between the air vent frame and the compartment frame, to widen the gap. Peel off the cover of adhesive tape on the ProClip. Note: The adhesive tape does not leave any marks or damage the dashboard, and it is easy to remove. Place the ProClip in your hand so the ProClip label (sticker) is in an upright position, or if vertically positioned; the P in ProClip is at the top. Press the angled edge on the upper part of the ProClip into the gap next to the gap opener. Pull out the gap opener.

STEP 2 OF 4

Press the gap opener into the gap between the the frame surrounding the control panel and the frame surrounding the air vent. Press the ProClip downward and hook the angled lower edge into the gap next to the gap opener. Press forward on the lower part of the ProClip so the angled edge goes all the way into the gap. Pull out the gap opener.

STEP 3 OF 4

The ProClip is now in place as shown here and in the overview picture above.

STEP 4 OF 4

The ProClip Mount is in place.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
