Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Press the thin end of the enclosed gap openers into the gap between the dashboard and the top cover, to widen the gap. Peel off the cover of adhesive tape on the ProClip.

STEP 2 OF 4

Place the ProClip in your hand so the ProClip label (sticker) is in an upright position, or if vertically positioned; the P in ProClip is at the top. Place the front hooked edge of the ProClip into the gap between the dash and the speaker cover. Slide the ProClip forward until you hear or feel it click downward.

STEP 3 OF 4

Using two hands, place your right index finger under the face plate of the ProClip and your other hand above the angled bend as shown in the photo. Then hook the lower part of the ProClip over the front edge of the dashboard.

STEP 4 OF 4

Place your fingers on top and front of the ProClip and press down and forward for best possible attachment of the adhesive tape. Pull out the gap openers. Note: The adhesive tape does not leave any marks or damage the dashboard, and is easy to remove.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
