## Item No. 855122 Angled Dash Mount for Ford Edge

Ford Edge 2015-2026

**DO NOT** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

---

**Attention:**

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

**Important**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

## **STEP 1 OF 4**

Clean the area where the ProClip will attach. Press the thin end of the enclosed gap opener into the seam between the padded center console side and the harder plastic trim behind it, to widen the gap. (See photo for location.)

## STEP 2 OF 4

Align the bottom of the ProClip left angled edge with the top of the silver trim on the right side of the center console. (See photo for location.) Notice the location of the right side of the mount and adjust the gap opener to be just below the right side of the ProClip.

Remove the cover from the adhesive tape on the ProClip. Note: The adhesive tape does not leave any marks or damage the dashboard, and is easy to remove.

### **STEP 3 OF 4**

Insert the s-shaped right edge of the ProClip into the gap above the gap opener. Flip the ProClip leftward so the angled edge goes behind the console panel. Remove the gap opener.

## STEP 4 OF 4

Pull the front part of the ProClip slightly toward you so the angled left edge hooks into the gap between the padded part of the console side wall and the climate control panel.

The ProClip is in place.

## Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
