

INSTRUCTIONS AND USER GUIDE

Item No. 855407 **Center Dash Mount for Lotus Elise,** **Exige**

Lotus Elise 2012-2021
Lotus Exige 2012-2021

DO NOT attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash.

Item No. 855407

WARNING:

Please hold the vehicle mount and holder over the place where the mount attaches to the dash before installing them to insure you like the location of the solution. Once installed and screwed together the products are non-refundable.

Attention:

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

Important

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

STEP 1 OF 4

Clean the area where the ProClip will attach. The adhesive tape cover must be removed. Place the ProClip in your hand so the ProClip label (sticker) is at the top.

Press the thin lower edge on the ProClip into the gap between the dashboard and the frame surrounding the stereo.

STEP 2 OF 4

Pull the upper part of the ProClip upward so the angled edge is free and does not touch/scratch the dashboard. Press the upper part of the ProClip forward so the angled edge is placed above the gap on top of the dashboard between the air vents.

STEP 3 OF 4

Hook the angled edge on the upper part of the ProClip into the gap on top of the dashboard between the air vents. Press down on top of the ProClip so the angled edge goes all the way into the gap.

NOTE - The adhesive tape cover should be removed. The tape does not leave any marks or damage the dashboard, and is easy to remove.

STEP 4 OF 4

The ProClip is in place.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
