---

**Attention:**

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also,** our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

**Important**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

## STEP 1 OF 4

Clean the area where the ProClip will attach. The adhesive tape cover must be removed.

Place the ProClip in your hand so the longer side is on the right. Place the notch on the right side of the ProClip over the right edge of the vent frame.

## STEP 2 OF 4

Press the ProClip to the right and hook the notch on the left side of the ProClip onto the left edge of the vent frame.

NOTE - The adhesive tape cover should be removed. The tape does not leave any marks or damage the dashboard, and is easy to remove.

## STEP 3 OF 4

The ProClip is in place.

## STEP 4 OF 4

The ProClip is in place.
