**Attention:**

Carefully read all instructions and review the images before installing this product. **Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash. **Also**, our installation instructions are often printed prior to the last year of a ProClip mount listing. The year listing we show on our web site should be the most accurate listing.

**Important**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or reinstallation of any product.

## STEP 1 OF 6

### **Installing the lower Lip:**

Gently clean the area where the mount will attach. Insert one of included gap openers into the seam behind the leather trim next to the engine start button, on either side of the mount.

## **STEP 2 OF 6**

### **Installing the lower Lip:**

Remove the adhesive tape cover from the mount. Apply even downward pressure to flex the mount into the soft material and hook it underneath.

## STEP 3 OF 6

### **Installing the upper Lip:**

Insert both included gap openers into the seam between the hard vent plastic and the soft portion of the dash. Make sure to leave enough room between them for the mount to fit. (See photo)

## **STEP 4 OF 6**

### **Installing the upper Lip:**

Apply even upward pressure to flex the mount into the hard plastic and hook it underneath. When the mount snaps into place, you may remove the gap openers.

## **STEP 5 OF 6**

**The ProClip mount is in place.**

## STEP 6 OF 6

### **Attention:**

Carefully read all instructions and review the images before installing this product.

**Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash and non-refundable since you have screwed into it.

## Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. **Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
